

# Mentorship Mid-Term Checkpoint

---

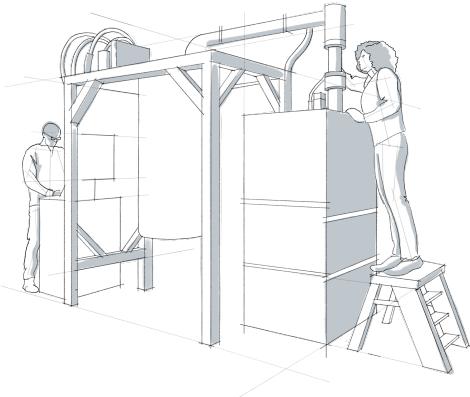

Eric Michiels  
IBM Quantum Ambassador  
IBM Executive Architect

1-Apr-2021

# Project Category

#15 Find and write recurring blog posts about Qiskitter Work

Mentor: Ryan Mandelbaum

My inspiration ...

**“Growth and comfort do not coexist”**

--Ginni Rometty

# Concrete Objectives on the Short Term

Publication Medium

## The Quantum Aviary

### Write a Story

From 12 proposed topics, my Mentor short-listed for me:

- Transpilation
- Super-Fridge
- Porting Qiskit

“Pitched Stories”  
Who, What, When, Where, Why

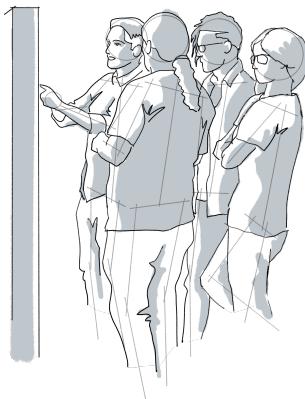

1 will be selected !

# Training and Preparation

“From idea to Story”

“Interview Hints and Tips”

“The Shape of a Story”

## Assigned Story

*“Motherboard for Superconducting Qubit Readout”*

Interview with Baleegh Abdo  
Research Staff Member at IBM  
30-Mar-2021

Writing is “Work-In-Progress” ☺

# My feedback ...

While this program requires us to do the “extra mile”, it is a unique occasion ...

- to meet extraordinary people
- to gain unique experiences
- to accelerate our understanding of the most exciting technology !
